PROGRESS ON SHARE BUYBACK PROGRAMME

Further to the share buy-back programme announced by Yatra Capital Limited (the “Company”) on September 22, 2011, the Company announces that during the period from September 29 until and including October 5, 2012, Company has repurchased 9,616 of its Ordinary Shares at an average price of EUR 3.01 per share for a total consideration of EUR 28,993. This is the fifty fourth release post the announcement of the buy-back programme. The total number of shares repurchased under the programme to date is 156,149 Ordinary shares for a total consideration of EUR 472,678. The buyback program is subject to the regulatory price and volume restrictions and the reason for such a small quantity of share repurchase is the low average daily volume.

The share buy-back programme will terminate on the earlier of i) the date of the Annual General Meeting of the Company in 2012 and ii) the date on which repurchases for the maximum aggregate consideration of EUR 4 million or the maximum number of shares of 2,142,857 (being 10% of the shares in issue on September 22, 2011, the date on which the Company’s Annual General Meeting approved the share buy-back programme) have been made. In that case the programme will end on the date on which the relevant maximum is reached and such early termination will immediately be disclosed by the Company.
